

HARFORD ARTISTS ASSOCIATION

"to promote and encourage appreciation for the visual arts in Harford County"

Dear Members:

Would you like to be a FEATURED ARTIST at

If you are interested, inform-

- Jackie Swartz so she can put you on the Gallery calendar
- Alex Kopp so she can place it in *ARRIVE* magazine, electronic calendars and *Harfords Heart*. We would need at least 2 months advance notice, hopefully, to get it published.

As featured artist you can

- Set up your own "little boutique" in the gallery for the day
- Do a demonstration
- Work in your medium for the public to observe and talk with the artist
- Showcase yourself and your work
- Hopefully, make some sales
- It can double as a required sitting time, if you choose
- Make a suggestion...

An Artist can be featured once during a two month show period.
