

## Closures for inclement weather

The Gallery will close any time Harford County Public schools close, announce early dismissal, or suspend evening activities due to inclement weather. For weekend closures, the gallery will close if either school or Parks & Recreation activities are suspended or canceled and/or county offices are closed due to inclement weather. Furthermore, if the Harford County Emergency Services manager issues a severe weather warning via local radio, TV, or automated phone message advising individuals to stay in their homes, the gallery will close.

To determine if Government Offices are closed or operating on an altered schedule, call the County Government Inclement Weather Lines:
